Lynx**MessengerPro**

SKU #780-LYNX-MSGPRO

LynxMessengerPro allows a Windows PC to receive pop-up alarm notifications when the PC is **Logged On, Logged Off or Locked.** Text and sound only (Images are not displayed when Logged off or Locked). Pop ups can be 100%, 70% or 30% of the screen; or scrolling at the top, middle or bottom of the screen.

Features and Benefits

- Popup alerts when a Windows computer is **Logged On, Logged Off or Locked**
- Messages can be color coded, full or a portion of the screen or scrolling
- Audio text to speech will work even if **Logged On, Logged Off or Locked**
