Lynx PSAP Annual Integration
SKU #780-LYNX-PSAP

The Lynx PSAP annual integration provides 911 alarming through RapidSOS. One license required per physical street address, multiple buttons can be deployed at the physical address.

Features and Benefits

- Enables Public-Safety Answering Point (PSAP) communication to Law Enforcement via RapidSOS
- Creates electronic alarm monitoring
- For K-12 in states with the Alyssa Law alarms can go straight to 911. For everyone else the alerts goes to RapidSOS who contact 911 after confirming the alarm.

Communication Protocol: The LYNX-PSAP integration uses REST JSON HTTP.
