

# Wireless Parking Lot Button

SKU #950-WLT-ODPNC-3

The large POLICE emergency weatherproof enclosure is wireless and battery powered; ideal for parking lots, garages and remote areas. This includes an enclosure mounting back plate, pole mounting bracket with fasteners, wall mount clips, poly carbonate enclosure, and weatherproof red duress button. When activated, a wireless alert is sent to the LynxGuide server via the LynxNet WLS.

## Features and Benefits

- Wireless parking lot button connects to the LynxNet WLS input device
- Individual transmitters can be tested while other transmitters remain operational
- Transmitter signal and battery are supervised
